Dear Teaching Professor Conference Participant,

This has been such a difficult time for college and university faculty needing to rapidly switch to teaching students remotely without being able to meet in person. We’ve needed to make extensive changes to the Teaching Professor Conference program. As you may know, we will be hosting an all online event for this year due to the COVID-19 complications. We’ve planned the Teaching Professor Virtual Conference to provide you with the same great content as our in-person conference without the travel. We’ll still have plenty of options to interact with others in our conference app, discussion groups, and Q&A as well as poster sessions, plenaries, concurrent sessions, and optional preconference workshops.

We sincerely hope you will join us at the first-ever Teaching Professor Virtual Conference. Below is a list of everything you need to know:

**Options for Teaching Professor Conference registrations:**

If you signed up for the conference, you can choose any one of the following:

1) A full refund
2) Registration to the Teaching Professor Virtual Conference. You’ll be refunded the cost difference between the virtual conference price and what you already paid.
3) Apply your registration fee to the 2021 Teaching Professor Conference in New Orleans on June 4-6, 2021. You will receive a full registration for the 2021 conference with no additional expense regardless of any registration price increases.
4) Credit toward any other event or products that Magna offers.
5) Keep your current registration for the in-person conference in Atlanta and await further word on any changes.

Please contact Customer Support at support@magnapubs.com as soon as possible to let us know how you’d like to proceed.

We apologize for the inconvenience, but our customers’ safety is most important to us. We’ll still have a great Virtual Conference that will be something that will be sure to impress and provide the great pedagogical interaction and ideas that the Teaching Professor Conference is known for.

We’ll see you online and wishing for safety for you and your families.
