# Enrichment for Mid-Career Faculty

## Learning Goals:

At the conclusion of ***Enrichment for Mid-Career Faculty***, participants will have the knowledge and tools to:

- Apply new strategies that drive learning and development of higher-order skills
- Create tools to inspire student engagement and enthusiasm for learning
- Implement high-impact practices for assessments, grading, and feedback
- Maintain one-on-one relationships and effective mentoring in large classes
- Manage the stresses of a demanding profession

## Who Will Benefit From This Course:

- Professors
- Adjuncts
- Instructors
- Lecturers

This content-rich Magna Online Course explores the myriad ways a committed educator can pursue classroom excellence. It examines:

- Course design that promotes development of higher-order skills like critical thinking
- Assessments that drive improvement throughout a semester
- Tactics to overcome apathy and engage students in today's learning environment
- Mentoring approaches that connect with students
- Techniques to maintain personal connections in large classes
- Cutting-edge feedback and grading strategies
- Universal Design for Learning and ways to implement it
- Brain-based learning techniques that motivate students
- Integration strategies for Open Educational Resources (OER)
- Methods to help manage and lessen job-related stress
