

Online Course

Infusing Critical Thinking into Your Courses gives teachers the tools to light a path for their students. Led by Linda B. Nilson, PhD, it presents research-based, classroom-tested best practices that can be immediately applied in the classroom.

Course Length: 10 hours

Course Access: The course enrollment will expire one year from date of purchase.

Infusing Critical Thinking into Your Courses

Learning Goals:

At the conclusion of **Infusing Critical Thinking into Your Courses**, participants will have the knowledge and tools to:

- Articulate a definition of critical thinking
- Develop learning outcomes based on critical thinking
- Design impactful assignments and meaningful assessments
- Guide students as they develop their evaluative, analytical, and reasoning skills

Who Will Benefit From This Course:

- Professors
- Adjuncts
- Instructors
- Lecturers
- Teaching assistants
- Faculty developers
- Department heads

This comprehensive, module-based Magna Online Course is an invaluable resource for educators at any career stage. It explains in detail how to:

- Establish a definition of critical thinking to guide course development
- Write outcomes based on critical thinking
- Create assignments to establish critical-thinking fundamentals in students
- Craft advanced assignments to further develop students skills
- Design effective objective-item and constructed-response assessments
- Develop assessment rubrics
