PRACTICAL SOLUTIONS FOR FACULTY: Managing Your Career

Learning Goals:

At the conclusion of **Practical Solutions for Faculty: Managing Your Career**, participants will have gained the knowledge and insight to:

- Acquire motivation and helpful advice to improve teaching
- Designate time periods for learning, based on difficulty and time of semester
- Create a realistic plan for achieving your teaching and growth goals
- Explore how and where collaboration is appropriate, and how to get the most out of collaboration
- Learn to create relationships with student assistants that are mutually beneficial
- Comprehend the vast possibilities for video creation and promotion
- Discover how to find resources for available grant opportunities and align research with funder objectives
- Understand how to evaluate your career, guidelines for successful transitions, and how to pivot to your next opportunity

Practical Solutions for Faculty: Managing Your Career is designed to touch on many of the non-classroom aspects of teaching at a higher education institution.

Course Length: 6 hours

Course Access: The course enrollment will expire one year from date of purchase.

Who Will Benefit From This Course:

- Faculty
- Educational Developers

Practical Solutions for Faculty: Managing Your Career focuses on important details that faculty must manage in addition to teaching for success in a career in higher education. Experience the benefit from hearing practical advice from experienced educators. Each section— teach, grow, and reach –contains short programs that cover highly important questions and topics related to what it means to be a teacher.

Learn how to better fulfill many aspects of your faculty responsibilities and grow within your profession with **Practical Solutions for Faculty: Managing Your Career**.
